**The Visual Word Series presents a new innovative way for Christians to learn the Word of God on various Bible topics with The Visual Word Series Inspirational DVD.**

Dallas, TX, August 2007 — With ever increasing technology, the Bible is far from left out of this era. The Visual Word Series affords Christians the opportunity to visualize and implement the Word of God in today's time. "We live in a visually stimulated society. People can relate to what they can see." says staff member, Jay.

This product creates a tranquil atmosphere for viewers by utilizing relaxing music and breathtaking visual imagery. It also contains narrations of Bible scriptures grouped by subject. The viewer can listen to the narrations with the music playing in the background while watching the beautiful scenery. The text of the Bible scriptures are displayed also giving the viewer a more powerful experience of the Word of God going into the mind. It's a known fact that soothing music causes people to relax. "I have even observed some people fall asleep while watching it. That lets me know the product is doing what it is supposed to do," says producer Rhonda Kay. The Visual Word Series is guaranteed to relax you.

The product is distributed through Victory Multimedia, Film Baby and through the [VisualWordSeries.com](http://VisualWordSeries.com) web site.

Free downloads of the healing video clip are available on the company web site at <http://www.visualwordseries.com/>.
